An Open Heart by Scott Kalechstein

Part 1

I wanna let life touch me,
I wanna let life move me deep
I wanna let life stir me,
From an ancient sleep.

I wanna let life touch me,
I wanna let life move me deep
I wanna let life stir me,
From an ancient sleep.

Part 2

May I laugh all my laughter
May I cry all my tears
May I love the rain as deeply
As the sun when it clears

May I laugh all my laughter
May I cry all my tears
May I love the rain as deeply
As the sun when it clears

Part 3

Living my life with an open heart
Living my life with an open heart

ONE DAY by Matisyahu

Sometimes I lay under the moon
And thank God I'm breathin'
Then I pray, "Don't take me soon
'Cause I am here for a reason."

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know some day it'll all turn around because

**All my life I've been waitin' for
I've been prayin' for
For the people to say
That we don't wanna fight no more
There'll be no more war
And our children will play
One day, one day, one day, oh
One day, one day, one day, oh**

It's not about win or lose, 'cause we all lose
When they feed on the souls of the innocent
Blood-drenched pavement
Keep on movin' though the waters stay ragin'

In this maze
You can lose your way, your way
It might drive you crazy but
Don't let it faze you, no way, no way!

Sometimes in my tears I drown
But I never let it get me down
So when negativity surrounds
I know some day it'll all turn around because

**All my life I've been waitin' for
I've been prayin' for
For the people to say
That we don't wanna fight no more
There'll be no more war
And our children will play
One day, one day, one day, oh
One day, one day, one day, oh**

One day this all will change,
treat people the same
Stop with the violence, down with the hate
One day we'll all be free, and proud to be
Under the same sun,
singin' songs of freedom like
Why-ohh! (One day, one day)
why-oh, oh, oh!
Why-ohh! (One day, one day)
why-oh, oh, oh!

**All my life I've been waitin' for
I've been prayin' for
For the people to say
That we don't wanna fight no more
There'll be no more war
And our children will play
One day, one day, one day, oh
One day, one day, one day, oh**
